E-very-thing's gon-na be al-right... E-very-thing's gon-na be al-right...

1367

Who ever thought the sun would come crashing down? My life's in flames, my tears can't breach the pain, this is the end, the darkest deepest river bed.
My book of life ain't complete without you here. Alone I sit and reminisce some times, I miss your touch, your kiss, your smile, I knew why men never cry,
'cos deep down inside you know our love would never ever die.
